NQF LEVEL 6	Occupational Certificate: Organisational Risk Practitioner
Program Overview	This qualification aims to equip learners with skills to support an organization's risk management framework, a key responsibility of Risk Officers. Risk Practitioners assist by facilitating activities tied to implementing risk management plans. The CRM Prac Designation is tailored for those seeking specialized knowledge in risk management. This certification confirms that the individual has foundational expertise and experience to contribute to an organization's risk management program under supervision.
Exit Level Outcome	On completion of this program learners will be able to: <ul style="list-style-type: none">• Implement the framework for managing risk in the business unit• Create and sustain risk management partnerships• Establish the internal and external risk context• Assess risk in order to produce and update a risk profile for a business unit• Prepare and facilitate risk treatment plans for a business unit• Monitor, review and improve risk management activities and processes.
Program Outline	The following modules and outcomes form part of this qualification: <ul style="list-style-type: none">• 4 Knowledge Modules (28 credits)• 6 Practical Skills Modules (28 credits)• 6 Work Experience Modules (69 credits)
Entry Requirements	Who Can Register? NQF LEVEL 4 - National Senior Certificate (NSC) or a Senior Certificate, with endorsement for diploma studies or a National Certificate (Vocational) at NQF Level 4.
Duration	12 Months (15 Live-stream/On-Campus Classes)

Delivery Methodology

Programme Duration: 12 Months (access 2025 timetable [online](#)).

Intakes: Classes Start Every March & September

NQF LEVEL 6	Occupational Certificate: Organisational Risk Practitioner
Training Program Strategy	<p>The training strategy that will apply to this program will be a combination of:</p> <ul style="list-style-type: none"> • Contact sessions combined with self-study to address the knowledge and practical skills components of the curriculum. • A structured work experience program at the site of an approved workplace to address the work experience component of the curriculum
Internal Assessment	<p>CharterQuest will conduct internal assessments by means of knowledge and practical assessment activities</p>
Work Experience	<p>During the 12-month program, the learner obtains work experience relevant to the required work experience module in the curriculum. The employer is responsible to ensure that work experience must be assessed by a Registered Assessor.</p>
Statement of Results (SoR)	<p>Upon successful completion of all four modules, CharterQuest issues a Statement of Results to the candidate based on the Knowledge, Practical and Work Experience. This SoR will give the candidate access to the qualifying assessment - External Integrated Summative Assessment (EISA).</p>
External Assessment	<p>On completion of the program, the candidate must apply to the Institute of Risk Management South Africa (IRMSA) for the External Integrated Summative Assessment (EISA).</p>
Certification	<p>Upon successful completion of the External Summative Assessment, IRMSA will recommend candidates to the Quality Council for Trades and Occupations (QCTO) for certification.</p>

 Risk Practitioners who have this designation will be able to assist businesses to better understand the multiple risks they face in a holistic and comprehensive manner, as well as provide assistance and guidance in providing effective risk management capability in their organisation.
