About ICB

2025 Intakes: March & August

Our ICB classes are structured over 2 intakes which are March and August, preparing you for ICB final exams!

February intake classes start between February/early March, finishing by end of April/early May and giving you an option to sit for any exam month from June.

July Intake classes start early July, finishing by end of October and giving you an option to sit for any exam month from November.
